

Leadership Council Budget Preparation Meeting
January 11, 2017, 12 noon

Members present: Pastors Matt, Dave, Jeff and Lloyd; Gary Clow; Sandra Clow
Tanya McLaren; June Hunt

Tanya presented the proposed 2017 budget in sections and **ON MOTION IT WAS RESOLVED AND CARRIED** to present the proposed 2017 budget, with changes as per discussion, to the congregation for adoption on Sunday, January 29 at 6:30pm. **NOTE:** The date of the Congregational Information Meeting is changed in order to facilitate some recent developments in the property purchase that need to be researched and properly articulated.

Pastor Matt presented drawings and blueprints of the proposed 2 acre lot which has been offered to us. This is prime property on the corner of Yale and Airport Roads. A good discussion followed. Since we don't need 2 acres we are at liberty to sell the extra parcels either to Cascade School or to a developer of 'non-commercial' properties. Other points that have been discussed previously were touched upon, one of which was to attain \$250,000 via loan so we can put \$200,000 into the Investors' Partnership.

Several members closed with prayer and the meeting was adjourned at 2:15pm.

Respectfully submitted, June Hunt
Recording Secretary for the Leadership Council
