Pastor Matt opened in prayer at 3:05 p.m. He reported on the recent AGM of the BCNABC. The Docket is available for anyone who is interested in looking at it.

Tanya McLaren gave a report on our financial situation. We qualify for the 10% wage subsidy. **A motion was tabled** for Tanya to apply for this. She will send the link to those who would like more information.

Mac Heuser gave a report on our Cascade Christian School / Midtown Church build paused due to Covid-19, refinancing, and to study what is the best option for Cascade. Build time is one year and it is needed by September 2021.

Pastor Matt gave an update as to where we are with 'phase two' on church gatherings: Less than 50 can meet per building/assembly, with stipulations. The school district is not renting their space until after the summer.
