

Psalm 121

A Song for the Road

The Lord's Attentive Care and Protection for All Space and Time

Where does my help come from? My help comes from the LORD, who is the maker of heaven and earth.

- He will guard (*šamar*) that soul and will not slumber (v.3)
- He will watch over (*šamar*) Israel and will not sleep (v.4)
- He is that soul's keeper (*šamar*) (v.5)
- and will both preserve (*šamar*) that one from evil and guard (*šamar*) its life from evil (v.7)
- the LORD God of Israel will guard (*šamar*) that one's coming and going forever (v.8).
