SEMINARY NEWS

The Kairos Project Brazil is celebrating its first anniversary! Thank you so much to those of you who have given scholarships to the Brazilian Kairos students. Without these funds, this kind of education would not be possible.

We also held an in-person graduation ceremony at the end of 2021, with three grads present. André's pastor retired, so he was recently asked to step into the role of senior pastor. Renato is serving alongside his wife, who is a church planter. Marcos is associate pastor at his church and is taking his MDiv through Kairos.

Paulo spent January taking kids from poor communities to the different Bible camps. Thanks so much to those who have contributed to this scholarship program.
