

# PRAYER LETTER WINTER CAMP JULY 2022

Hi everyone.

We had a great winter camp season. Thanks to your generous donations, we were able to send 25 kids to the camps. We sent people to World of Life Bible camp. Also, we sent teenagers to the TeachBeyond camp.

One of the adolescents who went was Tito André (with his mom, Celenir). His father, Pastor Elder, died of Covid in March 2021. He was my Kairos vocational mentor. After camp, Tito André told his mom that he had the best time because God talked to him. He felt transformed.

Pastor Carlesso runs a ministry that feeds lunch to people from very poor communities every weekday. By partnering with Pastor Carlesso, your scholarships helped send 13 of the kids from this community to camp.

Our ballet classes are doing very well. Cristiane and Sheila are leading this ministry. We started our expansion by equipping another ballet classroom at Sheila's church, so we now have two schools. Sadly, we had a problem with the man we hired to make the ballet bars for Sheila's ministry. We had worked with him before, but this time he took the money and the material to weld the bars and disappeared. We lost \$180 USD. We are praying that the Lord touches his heart so that he gives us the money back or finished the job.

This year, we are offering ballet classes for adults, too. The oldest student is 62 years old.

We have plans to expand our ballet ministry to another very poor neighborhood. We have two places in mind. But we are praying to know God's will for the next step.

Remember this adolescent? Ana Cristina (she also goes by Cris). What a difference! After 6 months of equine therapy and counseling, she is doing so well! She had been struggling so much from anxiety and depression, but the Lord is healing her. After camp season, she said that God really spoke to her and now she makes sure everyone in her family does their Bible devotions every day. She still needs to continue her therapy, so if anyone would like to help with a donation, her family and us would be very grateful!

Her sister, Carol, is going to be volunteer in World of Life Bible Camp for the next season and has already begun her training.

Please prayer for:

- 1) God to show us the next community where we can expand our ballet ministry.
- 2) Wisdom and support for sending kids to the next Bible camp season. Our target is \$ 2800 USD.
- 3) Support for Ana Cristina equine therapy.
- 4) God to touch the heart of the man hired to make the ballet bars.
- 5) Carine Schimuck, one of our ballet students. She suffers from anxiety. She doesn't want to talk to anyone.
- 6) Spiritual growth Luis and Marli, a couple who just accepted Christ at our church. I am meeting weekly with them to disciple them.

**THANK YOU SO MUCH FOR YOUR SUPORTING AND PRAYERS.**
