*SHARE Communities –  
Heartland Community  
Church in Medina, Ohio*

SHARE Communities is the newest multiplication effort out of Heartland Community Church in Medina, Ohio. They launched their first SEND Huddle earlier this year to develop and deploy future SHARE Community leaders that will launch their groups in the fall. They are also investigating possible partnerships with local organizations in their context. Pray for the leaders in the SEND Huddle to give themselves fully to the process of launching the efforts God has put on their hearts to expand his Kingdom tangibly in Northeast Ohio. Also pray for discernment over which local organizations they should link arms with.
